

Chart a Course to Safe Boating

Dreaming about the first day you'll take your boat out this season? Keep your dream from turning into a nightmare – **take a boating safety course before you hit the water.** Your passengers will thank you for helping to reduce their risk of injury and death in a boating accident.

Why We Like Boating

 **3 in 4**
BOATERS SAY
SOCIALIZING

Unfortunately, Boating Nightmares Do Happen

Take a Course, Save a Life

Find boating courses in your area

Boating safety courses are offered throughout the U.S. for boaters of all ages, even kids! Courses cover a range of topics, from boat handling to reading the weather.
